

## The Center for the Development of Children

4 Springdale Ave.  
Dover, MA 02030

Diana E. Workman, Director

(508)785-1835

Dear Parents:

It is with great pleasure that we provide you with the application form for our preschool, The Center for the Development of Children (CDC).

***The Center is Building on Existing Strengths to Offer Many Improvements.***

The CDC is an independent not-for-profit preschool.

As a not-for-profit, the school is supported by a Board of Directors, entirely volunteer, to assist with the business planning of the school, ensuring its successful future. This structure provides for an environment where all profits will be re-invested into the school, to continually improve resources and enhance your child's experience and development. In addition, we are working to expand the enrichment program in a variety of areas including: arts, music, language and physical education.

With the application there is a fee of \$50.00 for NEW families and \$25 for new SIBLINGS of current students. This is a ONE time fee and will keep your name on our waiting lists should we not be able to accommodate your needs. There is NO fee for current children who are re enrolling with our center.

***Please Note Deposit Deadlines in Your Confirmation Packet.***

Once we receive your application form, a confirmation letter will be returned to you with your projected monthly tuition amount. We then ask that you return the signed confirmation with one month's tuition payment as a *non refundable* deposit; this will be applied to your last month's tuition payment. Tuition rates are \$13.75/hour for 2 year olds, and \$12.00/hour for 3 and 4 year olds. Please remember we have a 2 day minimum commitment for 2 year olds and a 3 day commitment for 3 and 4 year olds.

***What if I need to extend my child's hours, but not exactly sure yet?***

Although we are asking you to commit to your days, we understand that schedules will change and anticipate families needing to add hours to their child's days. This is almost always easy to accommodate. Even after you commit to your morning hours, and then find your schedule changing, feel free to drop me an email or phone call and let me know which days you would like to extend!

We look forward to teaching and caring for your children.

Warm Regards,

Diana Workman

Director
