

Puppy News for May

With Wendy and Beth

Dates and Reminders...

Closed...Mon. 24th..Memorial Day

Hot Lunch...13th and 25th

Music...5th , 13th, & 19th

Parent/Teacher

Conferences...the week of May 17th-21st...look for information soon.

Family Fun Night...Tues. May 25th 5:30-7:30pm.

Donations....This month we will need volunteers to help with walking trips and [parents to come in and tell us about their jobs](#)...in a way that a 2 year old could understand... so if you *have a cool job, or even one you think might not be so interesting, speak to a teacher*....we'll let you know if that would work... (sorry, no pun intended, but it was funny) , but please see a teacher if interested. We will have the room parents help set up walking trip volunteers, so you may be contacted by one of them. We also need empty food containers to create a store, and **anything else that would help so we can pretend to make a Doctors office, Dentist, Fire/Police station, ice cream shoppe, and a post office.**

We need a **white washed cotton t-shirt** to decorate that fits each child...ASAP...please put your child's name on the tag...thanks!

We also need photo paper so we can get pictures printed for the end of the year...the 8X 10 sheet size please.

Last month...

Spring really sprang in the Puppy room! We had a bulletin board full of beautiful flowers in a garden complete with birds. The children enjoyed painting flowers and using water colors.

This month...

Welcome to "Puppy Town" ! In Puppy Town we have a grocery store, a Doctor's/Dentist's Office, a Police/Fire Station, an Ice Cream/Donut Shoppe, a Post Office, and a Library.

Can you tell what our classroom discussions will be about this month? That's right Community Helpers!! What would you like to be when you grow up?What kind of jobs do people we know have?...What does that person's job require them to do?... What do they wear?...We are going to ask these questions and try to find the answers out by visiting some of these types of places. We will be having walking trips around town and using our dramatic play skills to pretend to do these jobs in our classroom.

Sport of the month...

We enjoyed trying to jump and balancing on the playground. We will offer all sports this month to finish up the year.

Science of the month...

We had fun planting with the children and look forward to see if we can see some growth. Thanks to everyone who donated seeds, starter sets and soil so we could plant. It is appreciated. We will finish planting up this month, as well as talk about recycling and keeping nature clean. We will recycle the boxes and grocery items you all bring in for our toy store.

Math corner....

" I scream, you scream we all scream for ice cream" ! What 's not a better thing to count , but scoops of ice cream (and of course the money to buy things in the grocery store) .

Kindergarten readiness...

We will be taking so many walking trips this month and we will work on staying together, staying safe near the road, listening to teachers' directions, and being polite listeners to the people who we are visiting.

We will be working more on self help skills by getting our own water at snack time and working on being helpers in the classroom.

We will also work on buttoning, zipping, and snapping for those who are ready.

Parent Tip...

If you have Comcast on Demand...did you know there are parenting spots listed under there? They are on various topics...and they are free to watch! Check it out!!

Remember to save the date...June 9th...5pm...Our Puppy Class Art Show and Awards Night...It will be here at Caryl Community building in the cafeteria....arrive at 4:45pm...We will see you there!!
Also, remember to have your family choose a favorite food or dessert and sign it up on the sheet when it goes onto the parent info board.

Please Note...

The safest shoes for your child to wear to school is sneakers. We are seeing children trip and fall, get caught on equipment, stubbed toes, and have trouble keeping sandals, crocs, and flip flops on their feet.

Climbing equipment, sporting equipment, and bikes will not be allowed to be used without proper footwear.

We are trying to prevent injury to your child or anyone else's!! Thank You!
