

**Hi!**

**How was your summer? We had a fun one! Hope you did too!! Well, we'd like to welcome you to the Puppy Class. The name may have changed, but the fun is staying the same!!**

**We have lots of cool things planned and fun places to go! We are looking forward to a fun and exciting year together! We can't wait to meet you and for you to see the classroom!**

**Hey, why don't you and your parents or grown up stop by the classroom on Monday August 31st between 9am-11am for our Open House? Yeah, that way you can see the classroom and meet us...Wendy and Beth. We will be your teachers for this school year. We should have lots of fun painting, singing songs, reading stories, playing outside, and making new friends!**

**Here's another idea...you find 3 of your favorite things that you would like to show to everyone on the first day of school and put them in a Ziploc bag with your name on it. We will each take turns showing them at circle times that week. Oh, we can't wait to see what you choose!**

**If you wouldn't mind, could you do us a favor? Could you remind your parents to come to the Parent Orientation Night on that Monday, August 31st at 7pm and to bring the things listed on the bottom of this paper with you on your first day of school? It would be a great help...thanks!**

**That seems to be it for now, so we'll see you at the Open House!**

**See you soon,**

**Wendy and Beth**
